

Range

Dreamline Aviation, LLC (#5DLA311M) operates aircraft in full compliance with all FAA safety standards and additional safety standards established by Dreamline. Some flights will be arranged by Dreamline but be operated by other FAA certified FAR Part 135 air carriers that have been approved by Dreamline to meet its standards. All flights are operated by FAR Part 135 air carriers that exercise full operational control of charter flights at all times.

General

The Challenger 604 provides one of the most spacious and comfortable cabins for long-range, intercontinental missions.

The reliable Challenger fleet has over 4.5 million flight hours, making it one of the most trusted large cabin aircraft in the world.

Your trip is enhanced with WiFi, a full entertainment system, moving map, full-service galley, a spacious fully enclosed lavatory and sleeping accommodations for three.
