

Dreamline Aviation, LLC (#5DLA311M) operates aircraft in full compliance with all FAA safety standards and additional safety standards established by Dreamline. Some flights will be arranged by Dreamline but be operated by other FAA certified FAR Part 135 air carriers that have been approved by Dreamline to meet its standards. All flights are operated by FAR Part 135 air carriers that exercise full operational control of charter flights at all times.

General

The Learjet 35A is one of the most versatile and nimble aircraft available today. This is a modern fan jet that simply loves to fly.

The Learjet 35A is also the most cost-effective transport category business aircraft flying today. For the executive who demands both performance and luxury in a light-class jet, this is an ideal choice.
